STIPULATED ORDER EXTENDING SCHEDULING ORDER DATES

The parties through their respective counsel hereby stipulate to extend the Case Management Order scheduling dates issued in this matter for thirty (30) days, for the reason that although the parties have been working diligently with discovery, due to the need to take multiple depositions and conduct extensive discovery of

electronic and traditional forms of evidence, coupled with the difficulties of remote interaction as required by the current and ongoing global COVID-19 pandemic, the parties respectfully seek an extension of all dates in the Case Management Order, except the final settlement conference, the final pretrial conference and the trial date for thirty (30) days.

IT IS ORDERED that all Case Management Order dates, with the exception of the final settlement conference date, the final pretrial date and the trial date, shall be extended by a period of 30 days. The Court will issue a new Case Management Order reflecting the same.

IT IS SO ORDERED.

DATED: _____

HON. PAUL L. MALONEY
U.S. District Court Judge
